

## **Market Crew**

**Classification: Hourly, Part Time @ \$18/hr**

**Reports to: Operations Manager**

Crew at Texas Farmers' Market (TFM) includes the setup and takedown of all infrastructure for the Farmers' Market.

### **Position Description:**

- Arrive 2 hours before market opens to begin setup
- Check in with Market Coordinator to discuss market layout and plan
- Execute set up of rental tents, as well as various TFM, band, and/or audience tents. Tent set ups include one tent canopy, four weights, and one table.
- Set up handwashing stations, prep TFM booths with tablecloths, table risers, merch, etc.
- Distribute rented equipment to vendors such as generators, weights, tables, etc.
- Display signage throughout market
- Provide basic customer service to our market vendors by answering questions as needed or directing them to Market Coordinator for an answer
- Check in with Market Coordinator about remaining tasks/needs when unsure of what else to do
- Check out with Market Coordinator before leaving site at end of shift

### **Position Requirements:**

- Access to reliable transportation
- Reliable availability and punctuality for shifts
- Ability to lift 50lbs or more
- Able to be on feet for up to 5 hours at a time

Crew operates on a split shift, working 2 hours before the market opens and then returning at close for approximately 1 hour. Shifts may run short or long but will be approximately in accordance with these hours.

We are currently hiring for the Market Crew position at both our Saturday Lakeline Market and Sunday Mueller market:

Lakeline Saturdays 7am-9am and 1pm-2pm 11200 Lakeline Mall Dr. Cedar Park, TX 78613\*

Mueller Sundays 8am-10am and 2pm-3pm 2006 Philomena St. Austin, TX 78723\*

\*Please note, there are Market Floater positions available during market hours if interested in working a full day.

If you interested in the Market Crew role at either or both markets, please email [operations@texasfarmersmarket.org](mailto:operations@texasfarmersmarket.org)
