

Position Title: Traffic Coordinator
Classification: Part-time, hourly
Reports to: Operations Manager

Organization Summary

Founded in 2010, Texas Farmers' Markets at Lakeline and Mueller are organized under F2M Texas, a 501(c)4 non-profit corporation centered around hosting and educating Central Texas producers and consumers to grow a sustainable food system. We are located in Austin, TX.

Position Summary:

The Traffic Coordinator is responsible for overseeing and directing the set-up and take down of the market. There is currently an open position at the TFM Mueller Sunday on Sunday 7:15am-3:45pm. The position requires general fitness, personnel skills, organization and ability to multitask. This is an active, outdoor and fun opportunity to interact with local farmers, ranchers and food artisans as well as shoppers, chefs and patrons of the local food suppliers.

Major Responsibilities:

Operations and Administration:

- Safely drive (no more than 2 miles) and park box truck containing market equipment at market grounds
- Set out required signage and equipment to prep for vendor load-in
- Provide direction to vendors for market setup and breakdown
- Management of vendor traffic flow during load in and load out
- Fielding and answering vendor questions onsite, reporting
- Ensure vendor compliance of TFM Market and notifying management of rule violations
- Knowledge and communication of best practices and TFM Safety Procedures
- Troubleshoot and problem solve issues at market as they arise
- Collect estimated sales information from all vendors during market hours
- Complete and file all appropriate administrative paperwork to Operations Manager at the end of each market
- Constantly seek to adapt and improve market operations and procedures with input from operations team

Knowledge, Skills and Abilities:

- Reliable transportation and clean driving record
- Consistent availability on Sundays as outlined in the Position Summary
Access to a computer and ability to work/communicate remotely with operations team as needed
- Physically able to work in adverse weather conditions. Ability to work on foot for 8 hours consecutively
- Excellent verbal, written, interpersonal and communication skills
- Attentive to details and displays a strong aptitude for organization
- Strong customer service skills - displays enthusiastic, outgoing, and helpful behavior
- Team oriented as well as self-motivated

- Aptitude for prioritizing tasks and showcasing flexibility in the event of a change
- Model ethical and professional integrity
- Flexible time schedule to accommodate variable hours and market activities a must
- Competency in Spanish desired but not mandatory

Education/Experience:

- High school diploma or equivalent
- Traffic Control Technician Certification preferred but not required at time of hire; must be willing to take and pass TCT course to receive TCT Certification
- Passion for farmers markets, local food and sustainability

Physical Requirements and Working Conditions:

- Must be able to work onsite at a rain or shine market
- Should be able to lift ~50 lbs. and stand, walk, or sit for prolonged periods of time
- There may be need for hours beyond the regular workday

Compensation and Benefits: \$15/hr. This is an hourly, part time position.
